08.12.2014 | [Marketwire](#)

VANCOUVER, December 08, 2014 - Further to the news release dated November 25, 2014, [NMC Resource Corporation](#) (TSX VENTURE: NRC) ("NMC Resource" or the "Company") is pleased to announce that it has entered into a formal arrangement agreement (the "Arrangement Agreement") with Dong Won Corporation ("Dong Won").

Under the Arrangement Agreement, subject to satisfaction of the conditions therein, Dong Won will purchase all of the outstanding common shares of the Company, other than shares held by Dong Won and KTB 2007 Private Equity Fund ("KTB"), at a price of \$0.20 per common share by way of a plan of arrangement under the Business Corporations Act (British Columbia) (the "Arrangement"). In addition, under the Arrangement, all of the outstanding options of the Company will be transferred to Dong Won and cancelled.

As previously disclosed, the terms of the Arrangement were considered and reviewed by Bruce Durham as an independent committee of the board of directors. The independent committee engaged Evans & Evans, Inc. (the "Advisor") to prepare a valuation of all of the issued and outstanding shares of the Company and to consider the fairness of the offer from Dong Won, from a financial point of view, to the shareholders of the Company other than Dong Won and KTB. The Advisor was of the opinion that the shares of the Company have a value in the range of \$0.17 to \$0.19 per share. The committee, based on the valuation and fairness opinion, recommended to the board of directors to enter into a formal arrangement agreement with Dong Won and recommend to the shareholders to vote in favour of the Arrangement at a duly called shareholders' meeting.

All of the directors and officers of NMC Resource, in addition to KTB, who collectively own directly or indirectly or exercise control or direction over approximately 21% of the outstanding common shares of the Company have agreed to vote their common shares in favour of the Arrangement. In addition, all option holders have agreed to surrender and cancel their outstanding options in the Company in accordance with the Arrangement.

The Arrangement is subject to applicable shareholder, court, stock exchange and regulatory approvals, including, but not limited to, the approval by not less than two-thirds of the votes cast by NMC Resource common shareholders at a special meeting of the Company being called to consider the Arrangement (the "Special Meeting") and the approval by the "majority of the minority", being a majority of the votes cast by shareholders other than Dong Won, KTB, their affiliates or other shareholders whose votes may not be included in determining minority approval pursuant to Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions.

The record date for the determination of shareholders of the Company entitled to receive notice of and to vote at the Special Meeting is January 2, 2015. The Special Meeting is expected to be held on or about February 6, 2015.

The Arrangement Agreement provides, among other things, that the Company will use its commercially reasonable efforts to solicit proxies in favour of the Arrangement and the Company will not take any action that would be expected to materially impede the completion of the Arrangement. In addition, Dong Won has the right to match any competing "Superior Proposal" (as defined in the Arrangement Agreement). The board of directors of the Company may withdraw its recommendation for the Arrangement and accept and recommend a competing "Superior Proposal", if after giving Dong Won an opportunity to match any such proposal, the board determines, in good faith, that it is necessary for the board to make such recommendation to properly discharge its fiduciary duties.

Following completion of the Arrangement, the Company intends to have its common shares de-listed from the TSX Venture Exchange and the Company will apply to cease to be a reporting issuer under applicable securities laws.

Copies of the Arrangement Agreement and certain related documents will be available on the System for Electronic Document Analysis and Retrieval (SEDAR) website at www.sedar.com. Further details regarding the Arrangement will be contained in the information circular for the Special Meeting which will be mailed to shareholders of the Company and filed on SEDAR in due course.
