Each Unit will consist of one common share of Algold (a "Share") and one common share purchase warrant (a "Warrant"), with each Warrant entitling the holder thereof to acquire one additional Share at a price of \$0.15 for a period of 24 months from the Closing Date.

The proceeds of the Offering will be used to carry on work on Algold's mineral properties and for working capital and general corporate purposes.

The Offering, which is expected to close this week, remains subject to the final approval of the Exchange.
