## About Integra Gold

Integra Gold is a junior gold exploration company. The Company's primary focus is its Lamaque project located in Val-d'Or, Québec, one of the top mining jurisdictions in the world. In the fall of 2014, Integra completed the accretive acquisition of the Sigma Mill and Mine Complex, a fully permitted 2,200 ton per day mill and tailings facility. With major federal and provincial permits in place, existing infrastructure and significant exploration potential, this acquisition removed major costs and shortened timelines typically associated with mine projects. Integra has raised over \$150 million since 2013, at successively higher share prices, despite depressed gold prices.

## About Eldorado

Eldorado's success to date is based on a highly skilled workforce, safe and responsible operations, a portfolio of high-quality assets, and long-term partnerships with the communities where they operate.
