TORONTO, Aug. 14, 2019 - [African Gold Group Inc.](#) (TSX-V: AGG) ("AGG" or the "Company") is pleased to announce that Daniyal Baizak has been appointed VP Corporate Development.

Mr. Baizak will spearhead the ongoing business development efforts for AGG, seeking additional attractive growth opportunities, while the Company organically moves from a developer to producer. Mr. Baizak is a business consultant with considerable experience providing financial and strategic advice on mergers and acquisitions and managing multiple projects for a variety of private and public companies in Central Asia. Mr. Baizak holds a Bachelor of Commerce from Rotman School of Management, University of Toronto.

"With a strong asset base in a stable region, the recent financing in place, the addition of Danny Callow focused on mine development, Andy Rompel heading up exploration and now Daniyal seeking additional growth opportunities, African Gold provides an excellent platform from which to grow into a significant mid-tier producer," said Mr. Stan Bharti, Chairman and Chief Executive Officer of the Company. "The timing could not be more favourable as, I believe, we are just on the cusp of one of the most bullish gold environments I have seen in my long career in mining."

"It is an honor to be joining African Gold Group with such an experienced management team and geologically exciting project. It is especially exciting to join at this time as African Gold is poised to grow into a significant mid-tier producer in West Africa," commented Mr. Daniyal Baizak, VP Corporate Development.
