

District Copper Announces Corporate Change; Adds Land to Copper Keg Property

06.04.2022 | [Newsfile](#)

Vancouver, April 6, 2022 - [District Copper Corp.](#) (TSXV: DCOP) ("District Copper", "District", or the "Company") is pleased to announce the appointment of Marion McGrath as Corporate Secretary. Also, the Company has added to its land package at the Copper Keg property by staking an additional 962 hectares immediately adjacent to the existing claims. The Copper Keg porphyry copper project is located approximately 55 kms west of Kamloops British Columbia. The property covers approximately 4,235 ha and is located at the north end of the Guichon Creek batholith.

Ms. McGrath has been actively engaged in the securities industry for over 35 years specializing in corporate governance and compliance of publicly traded issuers listed on the TSX Venture Exchange and the Canadian Securities Exchange. Ms. McGrath has been self-employed since 2001 and is the owner of iO Corporate Services Ltd. Prior to organizing iO Corporate, Ms. McGrath was a senior paralegal with a Vancouver-based securities law firm.

Mr. Jevin Werbes, President and Chief Executive Officer of District Copper, stated "We would like to welcome Marion to the Company. We are excited to have her decades of experience and knowledge available to District Copper and look forward to a long prosperous relationship."

Qualified Person

Chris M. Healey, P.Geo., Chief Geologist, and a Director of [District Copper Corp.](#), is the qualified person under NI 43-101 guidelines who is responsible for the technical content of this release, and consents to its release.

About District Copper

District Copper is a Canadian company engaged in the exploration for porphyry copper deposits in south-central British Columbia.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities described herein in the United States. The securities described in this news release have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available. This news release is not for distribution in the United States or over United States newswires.

Cautionary Statement on Forward-Looking Statement

Certain information contained in this news release, including information as to our strategy, projects, plans or future financial or operating performance and other statements that express management's expectations or estimates of future performance, constitute "forward looking statements". Actual results may differ materially from those indicated by such statements. All statements, other than historical fact, included herein, including, without limitations statements regarding future production, are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

In connection with the forward-looking information contained in this news release, District Copper has made numerous assumptions regarding, among other things: the geological advice that District Copper has received is reliable and is based upon practices and methodologies which are consistent with industry standards and the reliability of historical reports. While District Copper considers these assumptions to be reasonable, these assumptions are inherently subject to significant uncertainties and contingencies.

Additionally, there are known and unknown risk factors which could cause District Copper's actual results, performance, or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein. Known risk factors include, among others: the dimensions and shape of the mineralized areas may not be as estimated; the mineralization may not represent sediment hosted intrusion related style gold mineralization; uncertainties relating to interpretation of the outcrop sampling results; the geology, continuity, and concentration of the mineralization; the financial markets and the overall economy may deteriorate; the need to obtain additional financing and uncertainty of meeting anticipated program milestones; and uncertainty as to timely availability of permits and other governmental approvals.

A more complete discussion of the risks and uncertainties facing District Copper is disclosed in District Copper's continuous disclosure filings with Canadian securities regulatory authorities at www.sedar.com. All forward-looking information herein is qualified in its entirety by this cautionary statement, and District Copper disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.
