

Intercontinental Gold and Metals Ltd. Announces Cease Trade Order

09.05.2022 | [Newsfile](#)

Toronto, May 9, 2022 - [Intercontinental Gold and Metals Ltd.](#) (TSXV: ICAU) (the "Company") continues to work diligently to complete the filing of its annual audited financial statements for the year ended December 31, 2021 and its related management's discussion and analysis, and officer certifications (collectively, the "Required Filings") which were due to be filed on May 2, 2022 (the "Filing Deadline").

The Company confirms that the British Columbia Securities Commission (the "BCSC") has issued a failure to file cease trade order against the Company ("CTO") which orders that general trading, whether direct or indirect, of the securities of the Company cease. A copy of the CTO has been posted to the BCSC website. The Company has been unable to complete the required filings due to lack of response from certain suppliers, banks and individuals in Bolivia in supplying the requisite confirmation letters to the auditors of the Company. The Company is working with the suppliers, banks and individuals in Bolivia to conclude the process at the earliest possible time.

Despite the CTO, a beneficial holder of a security of the Company who is not, and was not as of the date of the CTO, an insider or control person of the Company may sell securities of the Company acquired before the date of the CTO if: (a) the sale is made through a "foreign organized regulated market", as defined in section 1.1 of the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada; and (b) the sale is made through an investment dealer registered in a jurisdiction of Canada in accordance with applicable securities legislation. Holders of the Company's securities are urged to consult with their own investment advisors or legal counsel about the implications of the CTO.

The Company does not expect an interruption of the operations of the Company during the CTO.

The Company anticipates that it will complete the Required Filings on or before May 31, 2022. Revocation of the CTO is expected to occur within a few days after the Required Filings are made.
