Please submit your questions in advance to Questions@EmergingGrowth.com or ask your questions during the event.

About the Emerging Growth Conference:

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner.

The Conference focus and coverage includes companies with potential for long term growth. Its audience includes potentially tens of thousands of individual and institutional investors, as well as investment advisors and analysts.

All sessions will be conducted through video webcasts and will take place in Eastern time zone.

For those unable to join the event live on the day of the conference, an archived webcast will also be made available on [EmergingGrowth.com](http://www.YouTube.com/EmergingGrowthConference) and on the Emerging Growth YouTube Channel, <http://www.YouTube.com/EmergingGrowthConference>. We will release a link to the presentation after the event.

About Mammoth Resources:

Mammoth Resources (TSX-V: MTH) is a precious metal mineral exploration Company focused on acquiring and defining precious metal resources in Mexico and other attractive mining friendly jurisdictions in the Americas. The Company holds a 100% interest (subject to a 2% net smelter royalty purchasable anytime within two years from commencement of commercial production for US\$1.5 million) in the 5,333-hectare Tenoriba gold property located in the Sierra Madre Precious Metal Belt in southwestern Chihuahua State, Mexico. Mammoth is seeking other opportunities to option exploration projects in the Americas on properties it deems to host above average potential for economic concentrations of precious metals mineralization.
