(1) The applicable page on Bloomberg from which the Dealer Managers (as defined herein) quoted the bid side price of the Reference U.S. Treasury Security.

(2) Per US\$1,000 principal amount. The Consideration was calculated using the fixed spread for the 2026 Notes to the yield of the Reference U.S. Treasury Security as of 11:00 a.m., New York City time, earlier today. All holders of 2026 Notes accepted for purchase will also receive accrued and unpaid interest on the 2026 Notes validly tendered and accepted for purchase from and including the last interest payment date up to, but not including, the Any and All Settlement Date (as defined below).

The Offer is made upon the terms and subject to the conditions set forth in the offer to purchase dated June 7, 2023 (the "Offer to Purchase") relating to the 2026 Notes and the accompanying notice of guaranteed delivery (the "Notice of Guaranteed Delivery").

The Consideration payable per US\$1,000 principal amount of 2026 Notes validly tendered and accepted for purchase pursuant to the Offer has been determined in the manner described in the Offer to Purchase (the "Consideration") by reference to the fixed spread for the 2026 Notes specified in the table above plus the yield based on the bid-side price of the applicable U.S. Treasury Reference Security specified in the table above at 11:00 a.m., New York City time, earlier today.

Holders of 2026 Notes who (i) validly tender and do not validly withdraw their 2026 Notes on or prior to the Expiration Date (as defined below), or (ii) deliver a properly completed and duly executed Notice of Guaranteed Delivery and other required documents pursuant to the Guaranteed Delivery Procedures (as defined in the Offer to Purchase) on or prior to the Expiration Date and that tender their 2026 Notes on or prior to the Guaranteed Delivery Date (as defined in the Offer to Purchase), and whose 2026 Notes are accepted for purchase will be eligible to receive the Consideration. Holders will also receive accrued and unpaid interest ("Accrued Interest") on the 2026 Notes accepted for purchase in the Offer from, and including, the last interest payment date for the 2026 Notes up to, but excluding, the Any and All Settlement Date.

The Offer will expire at 5:00 p.m., New York City time, today, unless extended (the "Expiration Date"). Payment of the Consideration and Accrued Interest for the 2026 Notes validly tendered and accepted for purchase is expected to be made, subject to the terms and conditions of the Offer to Purchase, on June 16, 2023 (the "Any and All Settlement Date").
