VANCOUVER, October 27, 2023 - [Lincoln Gold Mining Inc.](#) ("Lincoln" or the "Company") (TSXV:LMG) is pleased to provide an update on its proposed acquisition of the Bell Mountain project (the "Project") from Eros Resources Corp. ("Eros"). Further to the Company's news release dated August 10, 2023, the Company and Eros entered into a non-binding letter of intent pursuant to which the parties agreed to negotiate the terms of a definitive agreement providing for the acquisition of the Project by the Company.

The Company remains committed to advancing the transaction and is working diligently with Eros to settle the terms of the definitive agreement. We are encouraged by the recent progress in negotiations and remain confident that an agreement will be finalized shortly.

The proposed acquisition is aligned with Lincoln's commitment to responsible and sustainable mining practices while maximizing shareholder value. Given the Project's proximity to the Company's Pine Grove project, one team of personnel could operate both properties and only one recovery plant would be needed.

Please refer to the Company's news release dated August 10, 2023 for additional details regarding the Project and the Company's strategic vision for the proposed acquisition.
